BUTCHERS Q GUILD

Poultry

1. Herb Fed Free-range Bronze Turkeys

We are proud to be a stockist of Herb Fed Turkeys - these birds have had the freedom to graze and forage for food, roam in acres of Yorkshire pasture at the foot of the Hambleton Hills and feed on a diet that includes over 10 varieties of fresh herbs. They are full of taste, succulent and reared traditionally to the highest welfare standards - they come dressed in a presentation box with giblets, rosemary and cooking instructions.

Free-range Bronze Turkeys. 4.5-9kg in weight.

2. Herb Fed Free-range Turkey Crowns - on the bone

For those who want something a little smaller, we have our bronze crowns, a whole turkey but with legs & dark meat removed. Full of flavour and easy to carve, each crown arrives boxed with giblets, rosemary and cooking instructions.

Please Note: *Some customers prefer to buy a whole Herb Fed turkey, have it crowned by us and have the legs boned for use at a later date - ideal for casseroles and curries.*

Sizes: Small / Medium / Large / X-large.

3. Fresh Turkey Breast Joint (Choose Plain or Stuffed)

A delicious breast joint, available in three sizes. Garnished with strips of maple-cured bacon, comes with rosemary and cooking instructions. The stuffed option is layered with a traditional sage, onion and apple stuffing.

Sizes: Small (Serves 5–6) / Medium (Serves 8–10) / Large (Serves 10–12+)

4. Luxury Boneless Three Bird Roast

Hand-prepared by our specialist butchers. White turkey breast joint, free-range duck fillets and pheasant fillets make up this three bird roast, fully de-boned and layered with our traditional sage, onion and apple stuffing, garnished with streaky maple cured bacon.

Price dependent on size.

5. Creedy Carver Free Range Ducks

Reared to the highest welfare standards in a large grass covered range area and the opportunity to bath and clean their feathers as nature intended. Widely chosen by the best chefs in the UK.

Approx 6lbs in weight.

6. Free-range Farm Geese from Goodmans

Free-range geese bred in Worcestershire - the geese can roam around and forage and are also fed a specially prepared ration alongside home grown wheat. These beautifully dressed and presented geese have become ever more popular for their distinctive flavour and texture.

One size only - Serves 4-6 Approx. Weight 5-6kg.

7. Herb Fed Free-range Large Chickens

Free to forage in the pasture, and from 4 weeks old, fresh herbs are introduced to the chicken's diet. The herbs are a mixture including basil, chives, dill, coriander and various salads to name just a few. Their absolute favourite is rocket and when the odd chilli arrives there is always a fight for it.

Please note: *whilst we strive to ensure that customers receive the weight they ordered, all of our poultry are free range and as a result, the weights we are supplied can fluctuate.*

Extra Mature Beef

The finest Beef from farms in Yorkshire and Lancashire - Dry-aged in our Himalayan Salt Chamber.

Himalayan salt is exceptional in terms of purity and its flavour enhancing properties - so the addition of the salt wall creates the perfect environment for the ageing process. During the minimum of 28 - 35 days dry-ageing, it concentrates the flavour of the meat, seals in the natural juices and purifies the air in the fridge.

8. Extra Mature Rib of Beef on the Bone

A must for a memorable Christmas meal, a succulent rib of beef on the bone, guaranteed hung for a minimum of 4 weeks, cut to your requirements. Ideal when catering for a large number of people.

9 & 10. Extra Mature Boneless Sirloin or Rib

Matured for full flavour and tenderness. The joint is boned, trimmed, rolled and tied, cut to the customer's requirements, ideal for dinner parties.

11. Extra Mature Beef Wellington

Fillet of beef, filled with a mixture of mushrooms, onions and pate in a puff pastry case. Definitely one to impress the guests. This item is prepared as an individual product, or any size required by the customer.

Game

12. Venison

Venison cuts such as rump joint, topside, striploin and - from estates in Scotland - grouse, pheasant, wood pigeon and guinea fowl are available as an alternative Christmas meal.

Please Note: *Some types of game may be fresh frozen due to availability.*

Locally Reared English Lamb

The finest Lamb from farms in Yorkshire and Lancashire - Dry-aged in our Himalayan Salt Chamber

13. Boneless Leg of English Lamb with Garlic Butter & Rosemary

Hand-boned by our specialist butchers, this succulent, matured leg of locally reared lamb is studded with fresh rosemary and seamed with home-made garlic butter.
